College Introduction

PART/1 Basic information

为梦想而来
人人皆可成才
人人尽展其才

Ningxia Business Vocational College was established in July 2010 with the approval of the Education Department of Ningxia China. It is the first private, non-profit secondary vocational college in Ningxia with the qualifications of Sino-foreign cooperative education, recruiting foreign students, and hiring foreign experts.

PART/2 About the College

The College covers an area of 250,000 square meters, and has more than 3,500 students and nearly 200 faculty and staff. There are 26 specializations including Chinese as a Foreign Language, Business Arabic, Business English, Business Japanese, TCM Rehabilitation Technology, Nursing, Oral Restoration Technology, Elderly Services, Management, Nursery, New Energy Vehicle Use and Maintenance, Electromechanical Technology Applications and Electronic Commerce. It is also equipped with a modern experimental training center. It has a beautiful environment, highly experienced teachers, and is equipped with the latest devices and software.

PART/3 International education

With the continuous improvement of China's comprehensive national strength and the rapid development of China's higher education, China is promoting the joint construction of the "Belt and Road" education initiative, establishing the "Belt and Road" university alliance, signing bilateral agreements and mutual recognition of degrees, and establishing the "Silk and Road" Major breakthroughs have been made in areas such as Chinese government scholarships. In order to promote the internationalization of vocational education, the College actively explores the path of international education, continuously expands international development paths from the aspects of national strategy, international cooperation and exchanges, college-enterprise cooperation, etc., and strives to explore the breadth and depth of international cooperation and exchanges in vocational education, and take a possible path to sustainable international development.

PART/4 Foreign students

Mr.Fang Haoming asked Chinese Premier Li Qiang a question at the press conference of the 10th National Congress

Fang Haoming (Arabic name: Amin, Iraqi) came to China with his parents in 2011 and has lived in Ningxia for 12 years. From 2011 to 2014, he studied Chinese as a foreign language at Ningxia Business Vocational College. During this period, he participated in many activities such as the "Chinese Speech Contest for Foreign Students" organized by the school, and received high praise many times. After graduating from Ningxia Business Vocational College (for three years), he studied at North Minzu University for his undergraduate degree.

Today, Fang Haoming is working at China Arab Satellite TV in Dubai.
